delle Pandette 21 Firenze

**The RISE Lectures**  
Exploring a Changing World

The RISE Lectures are a public series that brings leading voices to Florence to explore key issues of our time.

Each edition features a distinguished speaker who addresses a topic of their choice, offering new perspectives on global history, politics, economy, or culture.

Open to both the academic community and the general public, the series fosters dialogue and critical engagement with Europe's evolving role in a global context.

Corso di Laurea in Relazioni internazionali  
e Studi Europei (RISE)
